

OceanLED

Sport Display Program

OceanLED is providing Free of Charge a printed Counter Top Display Card (as shown) to promote the Top 3 selling products:

- X4, X8, and Sport

This Display Card can have product fitted so you can demonstrate the product live on your premises.

In conjunction with the new Counter Top Display Card, OceanLED is offering a Display program. If you buy 2x OceanLED Sport lights (either single color, dual color or multi-color) from your preferred Distributor or Wholesaler, OceanLED will send you a Sport light along with a power supply and push button for the display **Free of Charge.**

Being part of the program is simple:

- Place a new order with your preferred supplier for 2x Sport lights
- Fill in the form overleaf, include a copy of the Sales invoice from your preferred supplier
- OceanLED will send you your free light by return.
